ANNEXURE 1 – HFI WET WEATHER PROCEDURE

HILLS SHIRE COUNCIL

As the owner and / or manager of all Hills Shire public grounds allocated to the Association / Clubs, including school grounds, the Hills Shire Council has the final decision regarding the suitability of grounds for matches and training. Council usually makes decisions regarding the availability of grounds following heavy wet weather for week days and week nights and will generally allow the Association / Clubs to make decisions for playing competitions on weekends.

Generally, only under severe weather conditions will Council enforce weekend closures. Council's Wet Weather Updates for Sporting Fields Information can be obtained via phone (02) 9843 0354 or via the internet <https://www.thehills.nsw.gov.au/Venues/Find-a-Sportsfield/Sportsfield-Wet-Weather-Update> Information is generally updated regularly and usually includes the date of inspection, period of closure (if any) and the date of the next inspection.

Clubs should encourage all Coaches and Managers, and inform parents and players, to use the Wet Weather Updates for Sporting Fields Information sources if in any doubt regarding ground availability for training and games. Council may permit weeknight competitions such a Touch Football and Oz-Tag to proceed on specific grounds and also allow important school daytime matches even if the grounds are closed.

When grounds are CLOSED training is NOT PERMITTED for any code or activity. Never assume that competition matches are cancelled if fields are closed on Friday's. Always wait for official advice from the Association. Note: Clubs and teams training during the week when grounds are closed face possible punishment imposed by Hills Shire Council, including costs of repairs and penalties imposed by the Association.
